

OST Frontline Leadership Training Series Feedback - Administrators

About this Feedback Survey

You are asked to share your feedback on the OST Frontline Leadership Training Series, coordinated by SPPG and facilitated by the OST Enrichment Coaches Angela Cardamon and Kate McCormick. The Leadership Training Series is comprised of six monthly, one-hour workshops beginning October 2014 and culminating in March 2015. Training topics have included foundational research in OST, classroom management strategies, integrating more literacy into activities, theme-based planning, and developing your own fun math, reading, and writing games.

You selected several frontline staff to participate in this training. We would like to get your feedback on how you see their learning translating into practice in your program. We are looking ahead to sustaining this first cohort's engagement in learning, as well as conducting another round of the OST Frontline Leadership Training Series. Your feedback will help us make needed adjustments to the trainings and/or identify ways to further support frontline staff in the work they do. We will also be asking the Frontline Leaders for feedback on the trainings.

Please contact Michelle Rich at mrich@sppg.com with questions or concerns. Thank you for your time and honesty!
